Harvest:

A separate letter will be coming to you this week regarding our Harvest Festival next Wednesday, 12th October. Please support us in the event by contributing to our 'Harvest Boxes' for the Redbridge Night Shelter.

Good Manners/Citizenship Week:

Thank you and well done to the great efforts from staff and children who made Manford such a well mannered school! Long may it continue. A special well done to the children listed on the back of this newsletter who were chosen by their class teachers as exemplary examples of good manners and who enjoyed sitting at the 'top table' in the dining hall with Mr Bowsher and myself Friday lunchtime.

A reminder:

If you need to speak with your child's class teacher please make every effort to make an appointment before or after school. When the bell goes at 8.55 for the children to line up, teachers need to oversee their lines and ensure that children line up appropriately and have a good, calm beginning to their day. We would be grateful if parents would step back and allow this to happen - thank you.

Be Child Cancer Aware:

We have been asked by the 'Be Child Cancer Aware' organisation to distribute copies of their flyers (attached). Printed on the reverse of this newsletter is a short note from the organisation.

Miss T Jacobs, Headteacher.

A short note from the 'Be Child Cancer Aware' Organisation:
Be Child Cancer Aware have issued our school with Awareness Cards highlighting the main signs and symptoms of Cancer in Children and Teenagers. Whilst the card is not designed to frighten anyone, it is important that parents are made aware of the signs. More than 4,000 children and teenagers are diagnosed with Cancer in the UK each year and Cancer in this age group is particularly difficult to diagnose. By being aware you could potentially save your child's life or the life of a child you know. Early diagnosis will save lives.
