

Manford's Curriculum

Our Vision

We believe that Manford children are amazing young people.
We aim to support their development by ensuring they have excellent educational experiences which encourage a love of learning, a pride in all they do and build memories that continue to influence their lives in a positive way.
We want to empower them to know that they have the capacity to make great decisions and to change the world.

School Motto

'Believe in yourself'

Manford's Motivators

Global Identity

Understanding your place in the world

Global Possibilities

Aspirations for their future

Global Citizen

Inspired by role models
