

Autumn Two in Year 5

English

This term we will be looking at two texts: *The Lion the Witch and the Wardrobe* and *The Lady of Shalott*.

Within English, we will also focus on different writing genres:

Narrative
Poetry
Diary Writing
Playscripts
Settings
Characters

We are reading...

Children will continue to learn to use the full range of punctuation taught at Key Stage 2

In addition to the above, children will also learn about different word classes and how to understand these within a sentence.

Maths

This term we will be learning a variety of number and calculation methods/strategies. As well as revising the four operations and basic skills:

- Multiplication and division
- Fractions

DT

In Design and Technology, we will explore how to make a pizza by researching ingredients, tasting and evaluating flavours.

We will be discussing and understanding the making process and creating our own delicious final pizza!

Science

This term we are looking at animals including humans.

We will be looking at the process of gestation and how humans change as they grow and into old age.

We will also be working on ensuring we meet the different areas of working scientifically in the curriculum.

RE

History

Within history this term we are going to be archaeologists and learn about the History of Ancient Greece.

We will be learning about this civilisation and its position to the rest of history recognising eras from the past we have studied.

We will look at artefacts, how these have been used to inform us of what we know today. We will also be looking at: Greek Gods, Athens vs Sparta, legacies and focusing on the daily life of a child.

French

In our second unit this year in French we are focusing on our school (a l'école).

We will be working on our oracy skills in practising verbal pronunciation with our peers.

We be learning the French name for our subjects, expressing our likes and dislikes and learning about day timings.

Music

In Music, we will explore Blues music by learning about its history, key artists, rhythms and instruments. We will additionally be composing our own short Blues-inspired pieces.

PSHE

As part of our PSHE unit this term we will look at celebrating difference.

As we continue in our new classes and have clear expectations, we begin to celebrate our individuality and the differences and individuality of others.

Computing

In computing this term, we will be learning how to create short videos.

We will be exposed to topic-based language and developing the skills of capturing, editing, and manipulating video.

PE

In PE this term we will be focussing on two different sporting activities: Dance and Team Games.

In dance we will be focussing on the unit of 'on the beach' where children will be learning skills and routines to perform a desired outcome.

In 'team games' we will be working on our teamwork and communication, taking different roles and responsibilities in a group.
