

# Summer One in Year 6

## English

In English, we will write a tourist guide linked to our previous learning on North America.

We will also review some of our earlier writing and refine our editing and publishing skills.

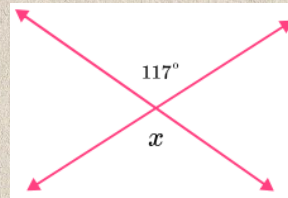

We are reading...

We will review several types of writing including:

- Narrative
- News report
- Monologue

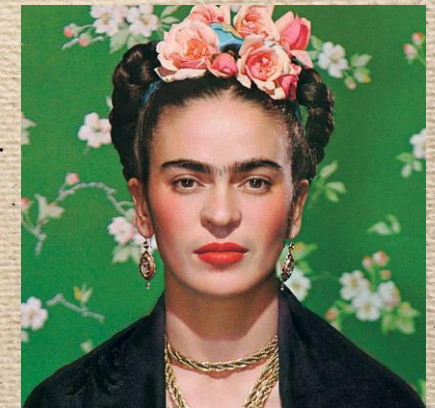

## Maths

We are learning about geometry, shape, position and direction in all four quadrants.

## Art

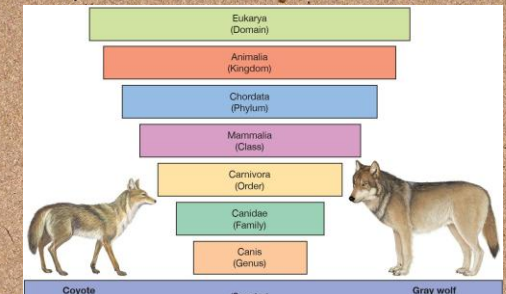

Our Art sessions will be linked to our History unit of work. The children will study Mayan art, with a focus on textiles and clay. They will also look at the notable Mexican artist, Frida Kahlo. They will develop designs, taking inspiration from their studies and refine their sculpture, stitching and weaving skills.

## Science

### Living Things and Their Habitats

We will study how life on Earth is classified and the scientist Carl Linnaeus.

## History

We are learning about the Ancient Civilisation of the Maya and drawing comparisons to other ancient empires: Roman, Greek and Egyptian.

## French

French will be the focus for the Summer 2 Term

## PE

We will focus on Dance- the power of unity and outdoor activities. Please ensure all pupils have their correct PE Kit in school.

## PSHE

Our unit of work will be about our mental health and relationships.

## Computing

In computing this term, we will be completing the unit 'Quizzing' using Purple Mash.

Children will learn:

- To create a picture-based quiz for young children.
- To learn how to use the question types within 2Quiz.
- To explore the grammar quizzes.
- To make a quiz that requires the player to search a database.
- To make a survey and analyse the responses.

## RE

Within Religious Education this term we learn how people make vows and commitments to one another.
