

# Summer Two in Year 1

## English

This term we will be looking at these texts:

We are reading...

This term we are reading;  
Traction Man by Mini Grey and  
Jim and the Beanstalk by Raymond Briggs

We will focus on different writing genres:  
Character descriptions  
Report writing  
Adding speech  
Letter writing  
Creating Narrative  
Writing predictions  
Retelling

## Maths

In Maths this term we will be learning to count and compare numbers up to 100.

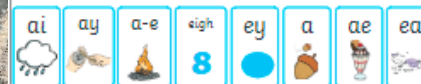

We will spend some time on our Money unit; children will be able to recognise coins and notes, and start to count coins.

By the end of the year, we will learn about Time, including telling the time to an hour and half an hour.

## Phonics

We will be focusing on learning alternative graphemes for the same phoneme. Children will become confident in recognising them within words when reading. They will be learning the spelling rules associated with them.

### My ai Sound Family

### My oa Sound Family

## Geography

In Geography this term we are learning about transport around the world in the role of a Travel Agent. Children will learn about different modes of transport around the world and begin to plan their own journeys.

We will also learn about climate change and investigate what we can do to reduce our carbon footprint in the local area.

## DT

In DT our project is; 'Freestanding Structures'. We will learn to design a new piece of playground equipment. Children will explore existing structures within the school before planning and building their own.

## Music

We will be exploring pitch and tempo through a superhero theme. We will learn to hear and perform high and low notes, create simple two- and three-note patterns, and notice when music gets faster or slower.

## PSHE/RE

PSHE lessons will be taught in the form of [JIGSAW lessons](#).

Our theme this half term is; 'Changing Me'.

In RE we are looking at the world around us and learning more about different religious creation stories.

## Computing

Children will learn what technology is and how it's used at school, at home and in the wider world, as well as how to use devices safely. They'll then explore digital music by creating their own tunes and beats, comparing computer-made music with real instruments and composing simple pieces to match different scenes. For our 2BeSafe learning, we will be looking at Health, Wellbeing & Lifestyle, Privacy & Security and Copyright & Ownership.

## PE

We will be developing our physical skills through two areas of PE this term. In gymnastics, we will explore individual movements and balances, learning how to control their bodies, hold stable positions and move with confidence. In outdoor activities, we will work with others to solve simple challenges, build teamwork and communication, and learn how to cooperate effectively.
