

Summer Two in Year 6

English

We are reading...

In English, we will be reading "Wonder" by R. J. Palacio.

We will explore the themes within the text, in particular we'll discuss disability and starting new schools.

Maths

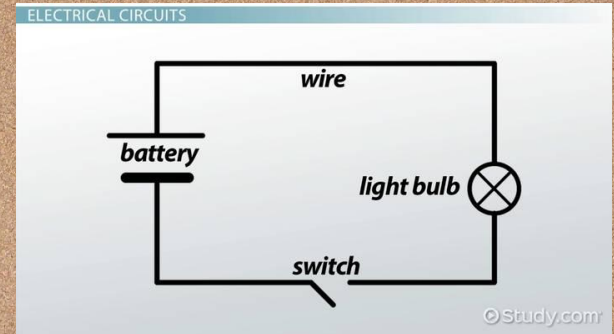

We will consolidate our learning and complete maths investigations.

Science

Electricity

We will study electricity and electrical circuits.

DT

Gears and Pulleys

The children will design a fairground carousel ride, using pulleys and gears.

Geography

We will be learning about Ordnance Survey maps and collecting data. We will apply this knowledge to our local area.

Purple Mash - Computing

- Unit 6.8 - Binary
- Unit 6.9 - Spreadsheets (Google Sheets)
