Autumn Two in Year 6

MANFORD PRIMARY SCHOOL

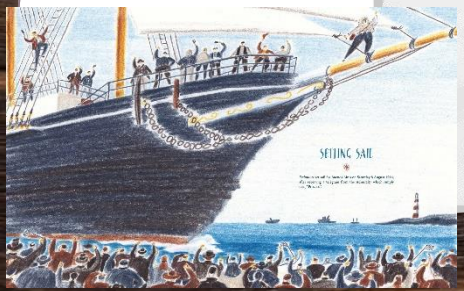

English

Writing: Explanation text, descriptive writing and formal letter.
Your child will receive weekly spelling lists to learn.
Children will continue to learn to use the full range of punctuation taught at Key Stage 2 (e.g. semi-colons, dashes, colons, hyphens).
Children will learn to use different verb forms and different levels of formality.
Children will learn to write cohesively, structuring their written work in paragraphs.

We are reading...

We will be reading 'The Boy in the Striped Pyjamas' by John Boyne and 'Shackleton's Journey' by Will Grill

Maths

This term we will continue to consolidate a variety of number and calculation methods/strategies.

We will also revisit and progress our fractions knowledge, as well as measures.

Science

This term we are looking at light.

We will learn about reflection, shadows, solar farms and the human eye.

DT

We will be investigating and designing a cultural bread. In groups, we will cook and evaluate our product! End of term project.

History & Geography

Local Study: World War Two

We will be studying the local History & Geography of World War Two as well as investigating the global context of the conflict.

PE

Badminton
We will be learning to play badminton.

Kit Reminder:
PE kit consists of a white colour t-shirt, plimsolls (trainers for outside) and plain black or navy-blue shorts. In addition, during cold weather, children may bring a pair of plain black or navy jogging bottoms to wear if PE is in the playground.

Music

Kapow
Music will be taught as a whole unit in the summer term to complement our end of year production.

Details to follow in Summer.

RE

We will continue learning what it means to be a Sikh.

PSHE

We will be following the Jigsaw scheme of work.

Autumn 2's unit covers: Celebrating Differences

Computing

Online Safety:
Children learn about networks, what they do and how they connect to devices. They consider safety aspects of networks, including possible positive and negative uses of networks.

Graphing – understanding the benefits of creating common graph types digitally.

French

French will be taught as a whole unit in the summer term.
